

"We saved an estimated \$3,400 off our energy bill, which is 20% off our annual energy costs."¹
Angus McLellan, Zealous

What could you save with our energy bill comparison service?

Find a better deal with NSW Business Chamber's FREE energy comparison service. We source your leading options from a panel of 10 energy retailers.²

If we can't improve on your current deal, at least you'll have peace of mind knowing your business is on the best rate.

We remove the hassle by running the numbers, switching retailers, and handling the paperwork – all on your behalf. Simply book a call at a time that suits, send us your bill, and have an outcome within the time it takes to have a cup of coffee.

approximately
81%
of Australians
are overpaying
for their energy
usage.³

\$1,500 pa
is the average saving we
have been able to identify
for business so far this year.⁴

90%
of businesses
report that higher
energy costs have
reduced profits.⁵

“ We are amazed at the savings we were able to achieve. It was as easy as contacting the NSW Business Chamber and providing our electrical invoices. They were then able to identify savings of \$9,768 across our two electricity accounts.”

Jeremy Brown, Jayco Newcastle

Based on 115MW of annual usage in NSW, and a retrospective review of their latest energy bill against the new supplier over 12 months.

“ A \$2,837 saving was identified for our business, which is over four times our NSW Business Chamber membership. This service is just one of the many benefits we enjoy by being part of the Chamber.”

Sharon Smith, Andor Information Technology

Based on 89MW of annual usage in NSW, based on a retrospective review of their latest energy bill against the new supplier over 12 months. Andor is a Business Essentials member, RRP \$642.
